The owner, Oculus Technologies Corporation of One hundred (100%) percent interest in the instant application hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the instant application, which would extend beyond the expiration date of the full statutory term (defined in 35 U.S.C. 154 to 156 and 173 as shortened by any terminal disclaimer filed prior to the grant of any patent granted on pending second Application Number 09/898,506, and pending third Application Number 09/898,501, both filed on July 3, 2001) of any patent on the pending second and third applications. The owner hereby agrees that any patent so granted on the instant application shall be enforceable only for and during such period that it and any patent granted on the second and third applications are commonly owned. This agreement runs with any patent granted on the instant application and is binding upon grantee, its successors or assigns.
